

## INDRANI GOVENDER

Ms Indrani Govender is a single mother of two sons, coming from humble beginnings. After hitting rock bottom in her life and being involved in two armed robberies in Kwa-Dukuza, she attended a Women Empowerment Conference, where she learnt that the Government was striving to empower women in business. She decided to take the challenge, and that was when Ricinz Constructions cc was born.

She is constantly involved in community development and Women Empowerment programmes in rural communities. She believes in empowering under privileged women and creating jobs on an on-going basis. She is also a motivational speaker for the eThekweni Municipality and SEDA for Women Empowerment conferences. Indrani has graduated in 2nd position out of 100 businesswomen with the NHBC Gibbs Women Empowerment Programme.

She was also recognised by the Premier of KZN for dedication and commitment in Youth and Women Empowerment.

# About us

RicinZ Construction cc was established in 2007 by Indrani Govender. Based in Kwa-Zulu Natal and Johannesburg, RicinZ Construction is a 100% black female owned company that has been in operation since 2009. RICINZ Constructions' have augmented our services with three stand-alone but complementary services, namely, Construction, Electrical and Telecommunications.

The construction business core focus is on Building, Plumbing, Civils, Paving, Carpentry, Horticulture Works, Garden Landscaping. Our customers are Outsurance, ABSA, Bidvest and Unitrans.

The Electrical division provides Supply & Installation of Generators, Upgrading of current transformers, MV & LV Reticulation, Cable jointing, Industrial & Commercial Installation, Switch gear maintenance, Sub Station maintenance, Thermal Imaging, Electrical Maintenance of Buildings, Street Lighting, OH Lines, and UG Cable trenching. Our customers and are Eskom, Department of Health KZN, Kwa-Dukuza Municipality, Umgeni Water Works, Human Settlements, Mandeni Local Municipality and SAPS.

The Telecommunications division includes the Supply & Installation of Fibre Optic, Fibre Blowing & Testing, Network Design, IDS and OSP, Civil and Trenching, Directional Drilling. Our customer is Huawei for MTN.

RicinZ Construction is registered with NHBRC, MBA, ECA, ECB, CIDB and Shanduka Black Umbrellas, Eskom panel and Proudly South African and the Central Supplier Database. We have our Export & Import license and supply our services and goods regional, nationally and internationally.

RICINZ Construction had the privilege of being chosen to represent the South African Delegation through the Department of Trade and Investment to take part in the: India Engineering Sourcing Show 2013 in India, The FIB03 International De Bengula Show in Angola, Market Next - Cochin India.

Indrani is the Chapter President for MarketNext South Africa.
